Merchants Drop Opener Sunday In C. V. League

Richhart Touched For 11 Hits in First Game of the Season

Jim Young's Torrance Merchants took a trimming from the El Segundo team Sunday in the first game of the newly organized Centinela Valley League. The score was 7 to 1, but the Merchants are not discouraged by their showing and are going into the second game which will be played next Sunday with the Hawthorne All Stars at that city, with their heads up and a big determination to be on the long end of the score.

Workman, who started for El Segundo allowed all three hits garnered by the Torrance boys, and was replaced by Nickelson at the finish. The box score of Sunday's game is as follows:

Doug Fairbanks, Jr., Star of Thrilling Drama of the Sea

STORY 1

Continued from Page 1
The centuries old custom of the sea which dictates that a commander must stand by a sinking ship until all hands are off is graphically displayed in "It's Tough to Be Famous," the first National picture starring Douglas Fairbanks, Jr., coming to the Torrance Theatre Sunday, Monday and Tuesday.

Doug, Jr., appears in the role of commander of a submarine which has been sunk by a steamship. With death rapidly closing on the commander and his crew, he offers the men a gamble for safety by shooting them to the surface of the sea via the torpedo tubes. They accept and all are saved by rescue ships which have arrived in response to the steamship's distress signals.

Only Fairbanks, Jr., and his second in command are left in the submarine. David Landau, who appeared with Fairbanks in "Union Depot," refuses to leave the undersea boat, offering to remain and release the younger man, even though the code of the sea dictates that he remain until the last man is saved, after which there would be no one to operate the tube for his own release. Landau offers to sacrifice himself and Fairbanks agrees, to all intents and purposes. What happens thereafter constitutes one of the most unusual scenes recorded by a motion picture camera and yet permits Doug, Jr., to abide by sailors' ethics.

Supporting the younger Fairbanks in "It's Tough to Be Famous" are Mary Brian, Walter Catlett, Oscar Apfel, Emma Dunn and Lillian Bond.

Golf Tournament For Women Players At Catalina Island

AVOLON, Catalina Island.—The second big golf event to be staged at Catalina this year is the fourth annual Women's Golf Tournament, May 8, 9, 10th. The affair will be 18 holes medal play divided into three classes, according to Mrs. C. M. Midgeley, president of the Woman's Auxiliary of the Southern California Golf Association, who is director of the tournament.

Class Prepares For Confirmation

Rt. Rev. Robert H. Gooden, suffragan bishop of the diocese, Los Angeles, expects to be at Christ Episcopal church on the morning of June 12 to administer the rites of confirmation. A class has been formed and is meeting for instruction every Sunday morning at 9:30 o'clock in the Guild hall of the church under the leadership of James H. Millburn. This will be the third class Mr. Millburn has prepared for confirmation.

No Depression Among Fishermen, Say Hardware Men

"For the first time since I have been in business in Torrance," said C. A. Paxman, veteran hardware merchant, "my stock of fishing licenses was completely sold out before May 1 this year. Twenty-five licenses were issued from the store in Torrance, nine from the Lomita store, and I could have sold more in Torrance if I had had the blanks."

At S. S. Worrell's hardware, ten licenses were issued, making a total of 44 for the Torrance-Lomita district.

Reports on the number of trout taken by this small army of enthusiasts have not been turned in as yet.

Harvel Guttenfelder, L. B. Kelsey and Dewey Quigley, who went to Seape for the week-end, reported a catch of 22, but Harvel declared that the party was lucky to get any as there were only about 1197 other fishermen whipping the same stream.

Awaken, CALIFORNIANS!

Awaken to the big opportunities now facing us... Even in these times of nationwide stress California remains the "whitest spot" on the economic map. Fundamentally we are sound as a dollar... The only barrier between us and good times is a mental one—groundless fear. We Californians have everything—money, diversity of resources, productive soil, a world-famous climate, a vast tourist business and great shipping and manufacturing interests. We are the best advertised community on earth... Why should we fear anything? Let's unitedly support our industries and our banking institutions by putting every inactive dollar to work... Buy—invest—build! Act normal again. Active money will speed up business and all industry—and banish unemployment. Help California lead the nation back to good times!
